Housing Counseling Checklist

One of the most important processes to be completed in your engagement with HOND is the completion of the Housing Counseling sessions. During this process, you will meet with one of our experienced counselors for your counseling session. In order to make our session with you as efficient and effective as possible, you should be sure you have as many of the following items with you prior to your initial counseling session. Use this checklist to help keep track as you gather the necessary information.
